INDEPENDENT AUDITOR'S REPORT

To the Membres of the

Quebec Farmers' Association / Association des fermiers du Québec,

We have audited the financial statements of the Quebec Farmers' Association / Association des fermiers du Québec, which comprise the statement of financial position at March 31, 2014, and the statement of operations and the statement of changes in net assets for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting norms for Not-for-profit Associations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Quebec Farmers' Association / Association des fermiers du Québec, as at March 31, 2014, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting norms for Not-for-profit Associations.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2014

1 - INCORPORATION AND NATURE OF ACTIVITIES

The Québec Farmers' Association / Association des fermiers du Québec was incorporated on April 4, 1957 under the Professional Syndicates' Act for the study, defence and promotion of the economic, social and moral interests of its members. The Association is exempt from tax on its operations as it is incorporated on a "not for profit" basis. These financial statements include the Warren Grapes Agricultural Education Fund, which is a registrered charity.

2 - SIGNIFICANT ACCOUNTING STANDARDS

BASIS OF PRESENTATION

The financial statements have been prepared in accordance with Canadian accounting standards for non-profit organizations in Part III of the CICA Handbook and include the following significant accounting policies:

USE OF ESTIMATES

The preparation of financial statements in accordance with Accounting Standards for Non-Profit Associations requires management to make estimates and assumptions that affect the amounts recorded in the financial statements and notes to financial statements. These estimates are based on management's best knowledge of current events and actions that the Association may undertake in the future. Actual results may differ from these estimates.

REVENUE RECOGNITION

The Association follows the deferral method of accounting for grants and contributions. Under this method, contributions restricted for future period expenses are deferred and are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

The Association's principal other sources of revenue comprise advertising, translation service, contracts and membership fees. Revenues are recognized when the following criteria are met:

- Persuasive evidence of an arrangement exists;
- Services have been rendered;
- The price to the buyer is fixed or determinable;
- Collection is reasonably assured.

CASH AND CASH EQUIVALENTS

The entity's policy is to present within the cash, the banking balance including the bank overdraft whose balance often fluctuates between positive and negative.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2014

2 - SIGNIFICANT ACCOUNTING STANDARDS (continued)

INVESTMENT

The investments are accounted at cost.

CAPITAL ASSETS

Capital assets are accounted at cost, and are amortized over their estimated useful lives according to the method of depreciation on a diminishing balance, at the following annual rates:

Computers 30%

FINANCIAL INSTRUMENTS

On initial recognition, all financial assets and liabilities are measured and recognized at their fair value. Subsequently, financial assets and liabilities are measured and recognized as follows:

Help for trading

Cash, cash restricted, accounts receivable and prepaid expenses are classified as held for trading financial assets. Held for trading financial assets are measured at their fair value and the change in fair value is recognized in revenues and expenses.

Loans and receivables and other financial liabilities

Loans and receivables and other financial liabilities are measured at amortized cost using the effective interest method (including any impairment in the case of financial assets). The interest on other financial liabilities is calculated using the effective interest method and is presented in revenues and expenses under administrative expenses.

3 - GOVERNMENT CONTRIBUTION

The Quebec Farmers' Association/Association des Fermiers du Québec entered into a contribution agreement with the federal department of Canadian Heritage.

The Association rents office space by means of an annual lease. The lease can be cancelled three months prior to the end date. The minimum annual rent is \$ 3,342 and is readjusted each year. The lease is automatically renewed.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2014

11 - RESTRICTIONS FOR EDUCATIONAL PURPOSES

The net assets restricted for educational purposes were established when the Association received a donation in memory of former president Warren Grapes. Each year, the Association receives donations on behalf of the Warren Grapes Agricultural Education Fund. The Fund awards bursaries to college students according to criteria established from time to time by the Fund's trustees. The Fund is registered as a charitable Association under number 871285045 RR 0001.

12 - RELATED PARTY TRANSACTIONS

During this fiscal period, the Association committed to pay the Union des Producteurs agricoles (UPA), the Maison de l'UPA and La Terre de Chez Nous \$ 108,169 for technical support, insurance, rent and services. The revenue for translation and services received from the UPA and La Terre de Chez Nous is \$ 119,292. The UPA has, among other things, the role of promoting, defending and developing the economic and social interests of the Association. These operations took place during the normal course of activities and are measured against the value established and agreed upon by both parties. The accounts receivable that have yet to be received for these operations are included in the debtors and represent a total amount of \$ 10 383. The accounts payable that have yet to be paid for these operations are included in the creditors and represent a total amount of \$ 3,375.

13 - FINANCIAL INSTRUMENTS

The Association is exposed to various financial risks resulting from both its operations and its investments activities. The Association's management manages financial risks.

The Association does not enter into financial instrument agreements including derivative financial instruments for speculative purposes.

INTEREST RATE RISK

The Association uses a line of credit and assumes a long term debt with variable interest rates. Consequently, the Association runs a risk from the fluctuation of the prime interest rate. However, a fluctuation of 1% of the prime interest rate would not have a significant impact on the Association's results and financial situation.

The Association's long term debt has a fixed interest rate at zero and, as a result, is exposed to minimal risks.

CREDIT RISK

The Association is not exposed to any major risk with regards to any particular client or third party. The Association continually evaluates the financial health of its clients and examines the credit history of any large new clients. The Association establishes a provision for doubful accounts while taking into account the credit risk of particular clients, credit history and other relevant information.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2014

13 - FINANCIAL INSTRUMENTS (continued)

FAIR VALUE

The cash book value, the accounts receiveable as well as the accounts payable and the accrued liablility come close to their fair value despite the fact that these elements have a short term maturity date.

14 - CASH FLOWS

A statement of cash flows has not been prepared because any additional information is readily apparent from the other statements.

15 - COMPARATIVE FIGURES

The figures presented for comparatives pourposes have been prepared by another accounting firm.
